Kumar Piyush

Undergraduate| Information Technology Student | Java|HTML
Delhi, India

Summary

I am an Undergraduate student at NSUT.

Technology always excites me and I am always trying to learn new skills .Innovative and detail-oriented Java Developer. Passionate about staying up-to-date with the latest technologies and contributing to high impact projects. Committed to continuous learning and staying updated on the latest technologies.

My goal is to leverage my Java expertise to contribute meaningfully to innovative projects. Open to exploring opportunities where I can collaborate with like-minded professionals, continually learn, and make a positive impact on software development challenges.

Currently exploring opportunities to contribute my skills to dynamic teams and innovative projects.

Apart from tech, I am tea lover, my leisure time activity fine arts ,I love to travel.

Eager to collaborate and grow within the ever-evolving landscape of Java development."
